

CIS Quran Recitation Competition

“The best among you is the one who learns the Quran and teaches it.”
.....Prophet Mohammad....

In order to encourage children, parents and Quran teachers in the noble cause of Quran learning and teaching, CIS held its 3rd Annual Quran Recitation Competition on March 19, 2011.

Many parents attended this activity of spiritual enrichment. Students from KG to Year 9 participated in the event and gripped the audience with their touching Quran and Adhaan Recitation.

Dr. Imron Maluleem, professor and Vice Chairman of Shaikh al Islam of Thailand graced the occasion and inspired the audience with his eloquent speech.

The special presentation by selected students from Year 1 to Year 11 were eye catchers for it gives an overwhelming impression about the meaning and importance of Quran as a divine book that has come from heaven to bless us all.

Dr. Ibrahim Naite officiated the program and awarded the winners with prizes and certificates.

CIS supports Japan call for aid

In response to Japans call for help, CIS had initiated a drive to render humanitarian aid to the Japanese who have been ravaged by earthquake and tsunami through a collaborative effort of putting money in the donation boxes placed inside the office and near the Guard's House.

Students, teachers and parents had shown their sympathy by taking a part of their money to help recover the victims from despair of loosing homes, lives and properties.

CIS Sports Day

Crescent International School celebrated its 3rd Annual Sports day on January 15, 2011. The occasion was well attended by parents, teachers and students. The presence of **Mr. Art Nana, Director of Lawn Tennis Association of Thailand** has boosted the moral of students and staff in his sports related message.

The school had showcased various sports activities in track and field events. The two - day schedule was so arranged in a balanced manner to give equal opportunity for exhibiting the sporting skills of our students.

The lighting of the torch of the house team captains was wonderfully done and gave highlight to the program. The colour house cheer competition was amazing and drew attention to the spectators.

A presentation by the KG students dancing on the tunes of "Waka Waka" stole everyone's heart. Year 1 & 2 had a dance presentation in colourful shirts swinging in to the beats of the "Eye of the Tiger".

A tem test of strength and cunning among CIS community with their "Tug of War"

Their enthusiasm was contagious and left everyone asking for more. The "Dynamite" dance performed by Year 4 & 8 was well - choreographed. The special dance performances were really amazing.

The "Tug of war" participated by parents, teachers, staffs and students proved to be an interesting part. Excitement and joy was reflected on the faces of our students as they see their parents and teachers participating in this.

The much-awaited event of the program is the giving of awards to winners. Red House gained the championship followed by the Purple House as the First Runner Up.

CIS wins Interschool Math Competition

To develop students interest and explore theirs skills in the field of Mathematics, CIS students from Year 1 to Year 6 participated in an Inter-School Math Competition held at International Pioneer School (IPS) on February 19, 2011.

The contest involves word problems in basic mathematical operations (addition, subtraction, multiplication and division). Six international schools in Bangkok participated in this.

Representing CIS were 26 students and 6 teachers to give encouragement and inspiration to the contestants.

CIS students got a 3rd place in the individual category and 2nd and 3rd place in the group category.

Students with a smile of victory in Maths Competition at IPS

Winners in the individual category who got a 3rd place and awarded medals are Caviar (Year 1), Rabiya (Year 2) and Neath (Year 3).

For the Group/School overall score, a trophy was given to the winners. Year 1 and Year 2 got (2nd place)). Year 3 and Year 4 (3rd place) and Year 6 (2nd place) .

After this initial venture in joining outside competition, CIS Math Department resolve to work hard and strive to teach more for students to push their way to the top to come and emerge as the grand or first prize winner on next year interschool competition.

CIS wins ISAA Sports Competition

CIS made it again in the ISAA Tournament held recently at Pan Asia International School by winning in Futsal boys category. With the able leadership of the trainer, Mr. Bryan Maandal of the PE Department, the students won the following awards:

Date	Award
Feb. 4	3rd Place
March 1	4th Place
March 22	5th Place

English Festival celebration

CIS celebrated English Festival on February 21-25, 2011. Premised on the theme : “To love, enjoy and explore English” different activities were organized that are meant to help students be able to value the English language more profoundly and to enjoy the essence at the same time.

The first activity which was participated by students from Year 1 to Year 9 was the Writing Competition. This was followed by the Poster and Slogan Writing contest focusing on this year theme.

One of the highlights of the celebration was the Spelling Contest for each year level. It aimed to test students not only on how they could spell correctly but also on how familiar they are with the language.

The celebration was filled with excitement with the awesome presentation of Year 1 to year 6 in the Interpretative Reading and Declamation Contest.

The judges had a hard time choosing the best among the best, but in the end only one should stand out and emerged as a winner.

The winners award day during the English Fest

CIS students awesome stage performance

The most astounding part of the program and activities was the stage play “Hamlet” performed by students in the upper year levels. Their fascinating costumes made them look like the characters they were playing. Added to this is the Comedy Skit presented by officers of student council.

The program ended with the awarding of the winners where they received certificates, medals and gifts.

Math Week Celebration

CIS held its Math Week Celebration last March 1-4 with an array of activities and games to heighten students interest and develop their skills in problem solving, calculations and computations.

Y1 to Y3 had a wonderful time playing with their four score games while Year 4 to Year 6 had a breath taking moments with their Bingo games. The millionaires game played by Y7 to Y9 was a mind blog for many students don't want to go to the hot seat and be interrogated with mind twisting problems.

Students enjoyed the Maths week celebration and winners were handed their certificates and prizes Monday in the morning assembly.
